Moskus Steel 6, Vestnes and Muldsvor

NOROVEST LANGHOLOSKLUBB

Safety and Rules:

Safety is paramount and everyone's responsibility. Anyone who observes an unsafe act or event, must/can call a "cease fire" (avbryt/stans skyting) at any time during the match.

- Treat all guns as if they are loaded
- Muzzle awareness is crucial. Keep the muzzle pointed in a safe direction at all times, either up, towards the firing line or in the safe zone on each station
- All movement with the rifle must be done with the bolt open
- Don't close the bolt until you're in position and have the rifle pointed towards the target
- If you are running a semi-auto, place the weapon on SAFE during transitions and say out loud "SAFE" before moving
- Keep your finger off the trigger and outside the trigger guard until you are ready to shoot
- The chamber flag is mandatory and must be in the camber until the RO tells you to remove it

Other:

All exercises starts with magazine in, bolt in rear position, at marked position. You can touch all props during stage brief, but you cannot position your rifle or equipment on the props before your turn to shoot.

Binoculars, spotting scopes and range finders can always be used. It's allowed to start a stage with tripods deployed. All target distances are laser ranged.

There are no limitations in gear you can use during stage, but you need to start with everything at hand and up from the ground.

For match flow: Be ready with the rifle and equipment on the starting line as soon as the shooter before you are finished shooting. Please help with picking brass unless the RO tells you otherwise on stage.

"Hit to move" means you must hit the first target before you move on to the next target. If you miss the first shot on the first target, you shall fire at the same target until you hit. "Hit or miss" means that you shoot at the target with rounds that you are supposed to and you move to next target or position.

All ranges is measured with rangefinder, after best effort.

All crew does the best job they can, we all want you to have a good time!
